SUMMARY

I am a motivated self-starter who enjoys working in a collaborative environment. I believe my unique background of 5+ years in real estate and luxury sales, combined with my technical skills, make me a valuable asset to any web development team looking to create innovative and user-friendly websites.

PROJECTS

Robo Trivia (React, JS, API & Firebase)

🔗 https://robo-trivia-app.netlify.app

A web application for a Robot themed Trivia Game.

- A multiplayer robot-themed trivia game, built with React, API, Firebase, JavaScript, and CSS, that includes authentication sign-in functionality for players.

Dictionary Web App (React, JS & API)

🔗 https://webdictionary.netlify.app

Integrate with the Dictionary API to create a real-world dictionary web app.

- A user-friendly dictionary web application, developed using React, JavaScript and API integration, that enables users to search and retrieve word definitions effortlessly.

EXPERIENCE

Residential Real Estate Broker

Royal LePage du Quartier

📅 02/2021 - Present　📍 Montreal, QC

Royal LePage is a real estate brokerage firm that provides a range of services to buyers and sellers of residential and commercial properties.

- Successfully facilitated the negotiation and completion of a $1.5 million residential property sale, leading to a substantial commission for the brokerage during my inaugural year in the industry.
- Increased sales volume by 25% through effective lead generation and client management strategies.
- Demonstrated strong negotiation skills by securing favorable terms and conditions for clients in competitive bidding situations.

Luxury Car Sales Associate

Silver Star Mercedes Benz

📅 03/2018 - 10/2021　📍 Montreal, QC

The largest Mercedes-Benz dealership in Quebec in volume of sales.

- Developed and maintained a strong network of referral sources, resulting in a consistent stream of new business.
- Demonstrated expertise in luxury vehicle product knowledge and industry trends, earning the trust and confidence of high-net-worth clients.
- Developed and executed targeted marketing campaigns that resulted in a 30% increase in website traffic and a 20% increase in leads.
